Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on I-88 between Joslin and Hillsdale will begin on Monday, May 4, 2015. Three Star Painting will be painting the 66th Avenue North bridge over I-88.

Traffic will be restricted to one lane in each direction for approximately one month while the structure is cleaned and painted. Following completion of the 66th Avenue North bridge, the contractor will move his operations to paint the 226th Street North bridge over I-88 located about 2 miles east of the I-80 interchange. The second structure will also take approximately one month to complete, so the \$342,648 contract for the two bridges should be finished by mid-July.

Please slow down and use extreme caution while driving through all work zones.
